SELECTMEN'S FOREWORD

Based upon Selectmen's valuations of town property at \$3,268,-151.00 the tax rate in 1966 was \$7.70 per \$100.00 valuation. This was at 48% of full value according to equalized valuation figures computed by the Tax Commission. At the present time, a team of assessors from the Tax Commission are working throughout the town making a reassessment of properties according to your vote on March 8, 1966. Funds allotted from the State's Treasury have been meted out according to a hypothetical equalized valuation. Henceforth, they will be doled out according to this survey.

Our water shortage of last year has been solved for the time being by reactivation of the old well.

The new junk yard law and its enforcement caused much displeasure to some but with the exception of two cases the law has been enforced. We hope to keep our back yards free from unsightly derelects. We made a try at the elimination of billboards but we find that with but two exceptions the billboards were there before our ordinance was enacted, hence, we were stymied in that project.

The sewage and water pollution problem is still with us although we have travelled far and often as well as petitioned and begged for assistance from State and Federal agencies. Our town debt of \$300,-000.00 legislates against borrowing and the money market for issuance of bonds is out of reason. We have joined the Ashuelot River Council for a co-operative study of the sewage problem in Marlborough and neighboring towns and we hope that the voters will vote to continue this study with the Ashuelot River Council.

We have worked with the State Highway Department for the new road which will eliminate the curves on Route #101 and the dangerous intersection of Route #124 with it. The old fire station has been sold and is in the process of removal. Prospect and Terrace Streets have new layouts and junction with the new road will be at right angles on level ground with nothing to obstruct vision in all directions.

We have endeavored to clear up many land titles and tax delinquencies. At an auction on November 12, we sold five tracts, four of which will be placed on the list of taxable properties. The deposit of 10% on a tract which sold for \$2,600.00 was forfeited and the tract will be sold at a later time along with several other tracts for which we did not have time to ferret out the titles. Two other old tax delinquents paid up at the same time.

In searching for Town properties we have found land which the town has owned since 1762 when the proprietors of Old Monadnock No. 5 drew lots for the support of schools and the ministry. Some of

the town's property has been pirated away by giving quit claim deeds to tracts when they had no claim to "quit." However, any person may not gain possession of town lands "by right of adverse possession" and we are recommending that a committee be appointed or elected to rectify these abuses and restore the properties to the Town.

The town has inherited a trailer problem which has caused some bitterness and unkind words. After a hearing on one problem, your selectmen were told by the Board of Adjustment to stop issuing trailer permits unless the trailer was to be placed in a "trailer park." Consequently, your selectmen, through the assistance of the Beauregards, have been able to interest the Colonial Village Mobile Homes in establishing a trailer park off Ryan Road. We have had several requests to set trailers in residential and agricultural areas all of which have been denied. We realize that a young couple or an old couple who wish to own their own home cannot afford to purchase residential property but can finance a mobile home. Hence, there is a need for some such service and we hope that this will be the answer.

There are two wooden bridges left in our town highway system which are over Robbins Brook, one on Ryan Road and the other going to the Bower's apartments. These are laid out highways and we recommend their replacement with 4 ft. cement tile.

The Lions Club has provided us with street signs which have been installed for the most part. Some incidents of vandalism have regrettably occurred. Any information as to the apprehension of the culprits would be appreciated.

There is a full board on planning and we recommend all possible co-operation with their efforts.

TOWN OFFICERS

Moderator: FRANK E. KNIGHT

Selectmen: CHARLES B. KNIGHT, chm. '67; ALFRED S. DESPRES '68; *ROBERT L. RICHARDSON '69

Town Clerk: OSCAR F. CROTEAU Road Agent: JOHN T. HAKALA

The State of New Hampshire

TOWN WARRANT

To the Inhabitants of the Town of Marlborough in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Marlborough High School Auditorium in said Marlborough on Tuesday, the Fourteenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
 - 2A. To see what sums of money the town will raise and appropriate for Highway operations: —
Summer and winter maintenance and general expense.
3. To see if the Town will vote to raise and appropriate the sum of \$3,800 for the application of tar to the highways.
4. To see what sum of money the Town will vote to raise for repair and construction of sidewalks.
5. To see if the Town will vote to raise \$647.09, the State to contribute \$4,313.93, for Class V road construction, apportionment A.
6. To see if the Town will vote to raise and appropriate the sum of \$3,000 for street lighting.
7. To see if the Town will vote to raise and appropriate the sum of \$4,500 for repairs, water storage and equipment of Fire Department.
8. To see if the Town will vote to raise and appropriate the sum of \$700 for a School Patrol Officer.
9. To see if the Town will vote to raise and appropriate the sum of \$100 toward the eradication of White Pine Blister Rust.

10. To see if the Town will vote to raise and appropriate the sum of \$3,000 for the District Nursing Association.

11. To see if the Town will vote to raise and appropriate the sum of \$1,317 for support and operating costs of Elliot Community Hospital.

12. To see if the Town will vote to raise and appropriate the sum of \$3,850 for operating costs of Frost Free Library.

13. To see if the Town will vote to raise and appropriate the sum of \$303.24 (six cents per thousand dollars of equalized valuation of the Town) to the Monadnock Region Association of southwestern New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, and by other means calling attention to the resources and natural advantages of the Town, in co-operation with the other thirty-seven Towns of the Monadnock Region.

14. To see if the Town will vote to raise and appropriate the sum of \$500, as its share of the cost of a study to determine the feasibility and approximate cost of a Sanitary Sewer System and Treatment Plant or Plants, to jointly serve the Towns of Marlborough, Swanzey, Troy and the City of Keene.

The objective of this Study is to provide information, for consideration at 1968 Town Meetings, relative to the feasibility, cost and economic advantage of an area Sewerage Treatment facility.

15. To see if the Town will vote to raise and appropriate the sum of \$300 for Memorial Day.

16. To see if the Town will vote to authorize the Board of Selectmen to appoint a Committee for the purpose of managing and administering the Ministry Lot and the School Lands, so called, located at or near Meeting House Pond, with a view to having such lot and lands used for recreational purposes; and further to grant to such Committee, when appointed, the right and power to enter into contracts or agreements with any person, including the Marlborough School District and/or the State of New Hampshire and/or the United States of America, or any department or agency of any one of them, for such purposes and for such duration as the Committee, by majority vote, may determine; and further to authorize such Committee, when appointed, to sell timber, logs, cordwood, sand, gravel and other mineral deposits and to authorize the severing and removal thereof, and generally to take such other and further action from time to time as the Committee may, by majority vote, determine; and further to see if the Town will vote to raise and appropriate the sum of \$1,000 for the use of and to be expended by such Committee for purchase of additional land if needed.

16A. To see if the Town will vote to reactivate the Underwood Road to the east side of lot #5.

17. To see what the Town will vote to appropriate for Civil Defense.

18. To see what sum of money the Town will vote to appropriate for the Recreational Commission.

19. To see if the Town will vote to raise and appropriate the sum of \$3,125 for hydrant rental.

20. To see if the Town will vote to raise and appropriate \$1,000 for retirement of water note due December 15, 1967.

21. To see if the Town will vote to raise and appropriate \$1,200 to retire the fourth and final note on the Municipal Building.

22. To see if the Town will vote to instruct the Selectmen to pay the Tax Commission the balance due for reassessment from the profit made in tax assessment of 1965.

23. To see if the Town will vote to appropriate a sum not exceeding \$19,000 for the purpose of making improvements to the following Class V roads within the Town; Pleasant Street and Frost Hill Road, such sum to be raised through the issuance of bonds or notes under and in compliance with the provisions of Chapter 241, New Hampshire Revised Statutes Annotated, as amended, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of Marlborough.

24. To see if the Town will vote to raise and appropriate the sum of \$20,000 for repairing, graveling and paving Pleasant Street from Jaffrey Road and Bridge Street to the property of Blanche Cushing.

25. To see if the Town will vote to raise and appropriate the sum of \$4,500 for the repair of Ryan Road.

26. To see if the Town will vote to raise and appropriate the sum of \$300 for repair of fence by the Municipal Building.

27. To see if the Town will vote to donate the Stone Guide Board to the Historical Society.

28. To see if the Town will vote to designate the cemetery on Hill Street as the Rhodes Cemetery.

29. To see if the Town will vote to authorize the Selectmen to clear up the titles to Robinson, Cheney, Mattson and Bowes properties.

30. To see what sum of money the Town will vote to raise and appropriate for the purchase of a new fire engine or act in any manner relating thereto.

31. To see if the Town will vote to raise and appropriate the sum of \$1,000 to buy 1½" hose for forest fire protection.

32. To see if the Town will vote to authorize the Selectmen to apply, negotiate and do all things necessary to obtain such Federal,

State or other assistance as may be available in the construction of a Sewage Disposal System.

33. To see if the Town will vote to adopt the provisions of the game of Beano.

34. To see if the Town will vote to authorize the installation of 3 new street lights on the new section of Route 101 and raise and appropriate \$350 for same.

35. To see if the Town will vote to participate in the Urban Planning Assistance Program and appropriate \$1,000 as the Town's share of the total cost.

36. To see if the Town will vote to authorize the Water Commission to settle the matter of damage, if any, to the Derby-Lorandean water supply.

37. To see if the Town will vote to authorize the Selectmen to sell obsolete highway equipment.

38. To see if the Town will vote to authorize the purchase of a new tractor and loader, trading in the 1960 loader as part payment.

39. To see if the Town will vote to accept a report of the Planning Committee with respect to proposed changes in the Zoning Ordinance of the Town, or take any action thereon.

40. Shall the following zoning amendment as proposed by the Planning Board be adopted for this Town?

Add the following new section to be known as 6 (a) under Article VA:

"6 (a) The housing and maintenance of horses, donkeys and mules and the use of exercise or show rings shall not be allowed in the residential and commercial districts."

41. Shall the following zoning amendment as proposed by the Planning Board be adopted for this Town?

Amend Article 7A VA, by striking out the "3,000" in the last sentence thereof and inserting in place thereof "5,000" so that said section as amended shall read:

"A. Trailers and/or mobile homes shall be arranged in rows abutting a driveway of not less than 25 feet in width which shall have unobstructed access to a public street. All driveways shall be well marked in the daytime and lighted at night. The minimum allowable space for one trailer or mobile home shall be 5,000 square feet plainly marked by corner markers."

42. Shall the following zoning amendment as proposed by the Planning Board be adopted for this Town?

Amend Article VIII by adding at the end thereof the following new section 7:

"7. Whenever the Selectmen either grant or deny a request for a permit made pursuant to this zoning ordinance, the selectmen shall, within forty-eight (48) hours after granting or denying such permit, post a notice setting forth the content of the request for such permit, and the action taken thereon. Said notice shall be published in a paper of general circulation in the town and shall be posted in the Post Office and on the front entrance door of the Municipal Building, and shall remain posted for a period of ten (10) days after the date of the decision."

43. Shall the following zoning amendment as proposed by the Planning Board be adopted for this Town?

Further amend Article VIII by adding the following new section 8:

"8. Whenever any person is aggrieved by a decision of the Board of Selectmen, either in granting or denying a permit or for any other reason such person may within the (10) days of the date of such decision appeal to the Zoning Board of Adjustment by filing with the Board of Adjustment and with the Board of Selectmen a notice of appeal, specifying the grounds therefor. The Board of Adjustment shall fix a reasonable time for the hearing of the appeal, give public notice thereof, as well as notice to the parties in interest, and decide the same within a reasonable time."

44. To see if the Town will vote to accept funds for perpetual care of cemetery lots.

45. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

46. To see if the Town will vote to authorize the Selectmen to sell property acquired by Tax Collector's Deeds and Gifts.

47. To hear reports of Town Agents, Auditors and Committees.

48. To transact any further business that may legally come before the meeting.

Given under our hands and seal, this day of February, in the year of our Lord nineteen hundred and sixty-seven.

CHARLES B. KNIGHT,

ALFRED S. DESPRES,

Selectmen of Marlborough

A true copy of Warrant—Attest:

**REPORT OF THE
POLICE DEPARTMENT
For Year 1966**

We investigated thirty-nine accidents, one highway death, one hundred and five complaints of serious nature, and made three arrests.

Two cars left on the highway, whose owners could not be found, were taken away by the Police Department and turned over to the State Police. Cars with faulty brakes and lights were investigated and inspected.

There were three cases of breaking and entering which were worked on with the Sheriff's Department.

Four summonses were served for Massachusetts Police Departments and several for the Keene Police Department.

Many complaints were received about dogs not being tied during the summer. The Police Department will collect all dog licenses not paid on time.

Respectfully submitted,

ERNEST THOIN, Chief of Police

FIRE WARDS REPORT

The Fire Department answered 18 calls this last year. One General alarm, 8 Still alarms, 4 Resuscitator calls, One False alarm, 2 mutual aid calls to Keene, one to Harrisville, and one to Dublin.

This past year a 250 gallon water tank, power pump, and hose reel has been installed on the Power Wagon, which makes it very effective in fighting grass and brush fires.

Due to the low water conditions, we have purchased an additional portable pump to aid in filling trucks and fighting fires.

The Fire Company has purchased with Company funds a 1956, 1300 gallon tank truck. And is in the process of converting it to a water tank truck, to be used to transport water to fires not readily accessible to water.

The fire wards wish to thank the members of the fire company, Selectmen, Local and State Police, and citizens for their fine co-operation during the past year. — ERNEST BEAUREGARD, ROBERT CAPRON, LLOYD FRECHETTE, CARL RUSSELL, NORMAN RUSSELL, The Fire Wards.

Report of the Town and School Nurse for 1966

There was a total of 425 calls made this year. Of these there were 151 calls at \$1.00; 20 trips to Keene Doctors or Clinics at \$1.75; 85 were 50c calls. There were 139 free calls and 30 calls that were covered by the Medicare Program. A total of \$234.00 was collected leaving an uncollected balance of \$91.00.

There were 156 pupils examined at school this year by the school doctor, who found the following defects:

Teeth (cavities)	42
Excess of Wax in Ears	14
Heart Murmurs	16
Scarred Eardrum	1
Deviated Septum (in nose)	1
Infected Gums	1
Bronchitis	1

The school nurse has examined 371 pupils for height, weight and eye examinations . . . Of these 37 were found to have defective eyesight, and notices were sent to the parents advising them of the condition.

Dental care is urgently needed in our schools. Mostly a program to educate the pupils and also the parents, of the necessity of good dental hygiene! There are many of our teenage boys and girls who have hundreds of dollars of dental work that should be done; most of which COULD have been PREVENTED with good mouth care and careful diet! We hope we can, with the help of our teachers, our State programs, and the P.T.A. groups working together, set up an educational program for next year in the schools.

We thank you for your co-operation this past year.

RUTH H. KNIGHT,

Treasurer

Librarian's Report

To the president and trustees of the Frost Free Library, the librarian submits the following report for the year January 1, 1966 to December 31, 1966.

Your librarian finds great pleasure in reviewing the accomplishments and activities of our library this past year. Our building project has brought us together many times. The ideas shared and our united effort has strengthened our program of service to the town. The following statistics will reflect in part the use made of our library services.

CIRCULATION

Adult Fiction	3628
Adult Non-Fiction	1253
Mag. and Pamphlets	1601
Juvenile Fiction	3014
Juvenile Non-Fiction	515

Total	10,011
-------	--------

SERVICES

Sponsored 21 film programs.

Borrowed 6 films for local club use.

Gave 12 Book Talks at school.

We held 29 Story Time programs, average attendance was 16. Tot. 442.

Loaned 6 records borrowed on inter-library loan.

We have directed 115 requests to the State Library from which we have received 79 books.

Loaned 711 books to the school for class room use.

The Thursday morning hours 9:30 to 11:30 has proven to be a convenience for some patrons.

Loaned 103 puzzles.

Loaned 350 paper backs on a swap basis.

Added to our reference collection the **Colliers Encyclopedia** and the **Dictionary of American History** and for the children **Our Wonderful World Encyclopedia**.

We subscribe to a book rental plan whereby we have a basic collection of 100 books and received 10 current adult titles each month. These titles arrive a few days after publication. Circulation since Sept. was 452.

The very fine gift of 30 classical and semi-classical records from the Columbia Record Company has prompted us to make plans for a record loan library.

The use of the library as an information center is increasing. Circulation figures do not tally the extent of this service.

The New Hampshire Library Trustees Association certificate of merit award to the citizens of Marlborough in recognition of their financial support to the library building project gave us good local and state publicity and has created a good feeling among the townspeople. I am not exaggerating when I say the eyes of the state are on us. Our library is one of the most progressive in the state because of the untiring interest our trustees have taken as well as local financial support. It has been a pleasure to be a part of this public service program.

I am grateful to my assistant, Mrs. Jean Williams for her faithfulness and willingness to be of service, therefore, freeing me to attend

meetings and carry on with the many details of the building program. She has proven to be a most capable assistant.

“Libraries are for people”. Your librarian is continually working to find new ways to bring books and people together. She welcomes your suggestions and appreciates the support you have given to her ideas. The coming year gives promise to being the most exciting in our library’s history. I am looking forward to it in great anticipation.

Respectfully submitted,

MRS. CORINNE NASH,

Librarian

REPORT OF THE MONADNOCK REGION ASSOCIATION

To the Town of Marlborough

The stated aims of your Monadnock Region Association, now in its 34th year of existence, are as follows: To help the Monadnock Region remain beautiful, to promote worthwhile organizations, to increase the prosperity of its inhabitants, to encourage the development of parks and recreation facilities, and to be of service to all who live, work or visit here.

During the past year your Association has sponsored 4-H activities, Boy Scouts, Boys' State, forestry betterment, Philharmonic Concerts and ham radio groups. We have given slide lectures, talks on Parliamentary procedure, and duties of Town Officers. In co-operation with the National Society we sponsored the First Covered Bridge Festival to be held in New England. We have attended public hearings whenever the interests of the Region or any Town were at stake.

We continue to work for roadside beautification, conservation of resources, and protection of wild life. We publicize historic sites, points of interest and natural attractions. In various ways we have contributed to the development of the Region along cultural and educational lines to the end that such advantages are apparent and a factor in inducing desirable and valuable people to locate in the Monadnock Region.

Your Region Association will tackle any problem advancing the livability of the area of the Monadnocks for natives, visitors or new residents.

REPORT OF RECREATION COMMISSION

During the past year our program has been of narrower scope than usual. We did not operate a summer playground due to our inability to find a person to direct it. The problem was that the type of person we need is no longer willing to tie himself up for a whole summer, for a six week program at the salary we can afford to pay. Possibly the solution lies at least temporarily in offering swimming opportunities only.

We gave substantial support to the Little League program and felt justified because the number of boys participating was more than doubled. One large item of expense was for new uniforms.

During the past winter adult interest did not appear to justify the operation of a program. We feel that the funds should not be spent for that group unless a reasonable number of persons can be involved.

We spent money for materials and labor at the Athletic Field to repair and paint stands, benches and some sections of the fence.

This coming season we have to make repairs to the surface of the skating rink as cracks have developed which allow the water to leak out. We are also thinking of ways to make wider use of this area during the summer months.

Suggestion has been made to us that we study the possibility of developing a major recreational area in the town. This is a big project and will require a lot of money, possibly a grant from outside sources will become available. We expect to get involved in the investigation of this in the near future.

We appreciate the cooperation that has been given us by all and especially wish to thank many of the high school youth who have assisted with activities. — DOUGLAS L. CROTEAU, OMIS M. DUMONT, IRVIN H. GORDON, RAYMOND J. HUOT, FRANK T. ROB-INSON, Commissioners.

Report submitted by Irvin H. Gordon, Treasurer

Cemetery Committee 1966

Since some of our residents have expressed a desire to purchase lots in the Center Cemetery, work has been started to clear some land. As soon as good weather returns our sexton will resume the work and we hope to be in a position to have lots for sale this summer. This has been made possible by use of the income from the Charles E. Ward fund.

However, lots in Pine Grove Extension are nearly exhausted and new lots will have to be prepared there with fill and loam brought in.

We are greatly indebted to the Rev. H. Marshall Budd for his help over the past years.

We are again calling to your attention the cement wall bordering Graniteville Cemetery which is in badly need of repairs.

Balance on Hand, Cheshire National Bank Feb. 1, 1966	\$173 78

		\$417 56

Selectmen's services are in Town Officers' Expense. The purchaser of the Levi White Lot deposited \$260.00 but forfeited it after the 30 day period. A balance of \$130 is due from Auctioneer.

Social Security

Note. This 8.2% Social Security (F.I.C.A.) tax on the first \$6,000 of town employees' salaries and wages builds funds for monthly benefits to these workers upon their retirement. The Town and its employees pay share and share alike, or $3\frac{5}{8}\%$ each. (In 1967 these rates go up to 4.2% each.)

The employees share reduces take-home pay accordingly, and is forwarded to the State Treasurer, with the Town's matching funds. Payments: State Welfare Division, employees' share and Town share combined.

NOTES

- a. The 1965 income of \$421.43 from the CHARLES C. WARD TOWN FUND was paid to the Cemetery Committee in accordance with the vote at the March 1966 Town Meeting.
- b. The JOHN H. KIMBALL CHILDREN'S HEALTH FUND actually earned \$978.25; deducting the \$45.00 Trustees' bond cost, the Fund earned a net of \$933.25 in 1966. The 1965 income of \$925.70 of this Fund was paid for the benefit of two persons during the year as per instructions of the Selectmen. The 1966 income of \$933.25 from this Fund is unspent.
- c. The 1966 income of \$213.71 from the KATE REID TOWN FUND remains unspent and awaits the vote of the Town as per instructions from the Selectmen.
- d. The \$225.00 increase in Cemetery Fund principal during the year is made up of the following new cemetery funds:
- | | |
|----------------|---|
| \$150.00 | ALFRED & CARRIE M. CLARK CEMETERY FUND: Created Aug. 10, 1966 from the Estate of Carrie M. Clark by Marjorie E. Clark, Executrix, the income to be used only for the perpetual care of cemetery lot #24 in Pine Grove Extension Cemetery. |
| 50.00 | Addition to FRED S. MOORS CEMETERY FUND: Added Aug. 10, 1966 and received from the Estate of Carrie M. Clark by Marjorie E. Clark, Executrix, making the Fund total \$150.00 with this new addition; the income to be used only for the perpetual care of cemetery lot #129 in Pine Grove Extension Cemetery. |
| 25.00 | HERBERT F. WARE CEMETERY FUND: Created Aug. 15, 1966 by himself; the income to be used only for the perpetual care of one-fourth of lot #195 in Pine Grove Extension Cemetery. |
| <hr/> \$225.00 | Total of New Cemetery Funds. |
- f. The figures of the Manchester Savings Bank and those of the \$50,000 U. S. Treasury 71s do not balance by themselves because unspent income from the Bonds has been invested in the Manchester Savings Bank. If these two investment items are added together, they balance.
- g. This \$50.00 increase in Laconia Savings Bank principal is an addition to the FRED S. MOORS CEMETERY FUND. See note b for details.
- h. This \$25.00 increase in Manchester Federal Savings principal is the newly created HERBERT F. WARE CEMETERY FUND. See note b for details.
- i. This \$150.00 increase in Manchester Savings Bank principal is the newly created ALFRED & CARRIE M. CLARK CEMETERY FUND. See note b for details.
- k. The \$50,000 U. S. Treasury 71s earned a gross of \$1,937.50; deducting the \$90.00 Trustees' bond cost, the net income was \$1,847.50 for the year.

Respectfully submitted,

ROLAND A. WHITNEY,

OLIVER F. DERBY,

CHARLES B. KNIGHT, Trustees

Report of Marlborough Planning Board

This Planning Board has met 17 times since the last town meeting to work on the Zoning Ordinances and to develop a Comprehensive Plan for the town. Randall Raymond, assistant state planner, has met with us several times and been very helpful. The chairman attended a ten week seminar in Concord geared to planning board members and all members have studied Comprehensive Plans of other towns in preparation to forming an outline for a plan for Marlborough. We interviewed four consultants and chose Community Planning Services of Boston to develop a plan for us. They prepared a brief outline which was mailed to townspeople. The board feels the plan will be an indispensable aid to the town as it covers all phases of the town projected 20 years.

We met with the Board of Adjustment twice to consider the Zoning Ordinances. After much discussion and recommendations from George Hanna, town counsel, we held two public hearings on the recommendations listed in the warrant and ballot. Before the hearings, held January 12 and February 14 at the Municipal Building, a notice was posted in three public places and advertised in the Keene Evening Sentinel. Copies of these were also available, two weeks prior to the town meeting, at the Town Clerk's office.

The wording will not be changed in the ordinances except where 3,000 square feet is changed to 5,000 square feet in Article 7V.A. pertaining to the size of a lot in a trailer park. This is number 2 of the recommendations. Number 1 will be an addition to Article V.A. Recommendations numbered 3 and 4 are also additions to Article VIII and concern enforcement and should safeguard enforcement. These recommendations will be voted by ballot and will be in the order as printed in the warrant. — PRISCILLA RICHARDSON, chairman, WILLIAM PIPER, treasurer, CLAYTON WILCOX, ALAN YOUNG, ALFRED DESPRES, selectman representative.

TOWN AUDITOR'S REPORT

This is to certify that I have examined the books and records of the Selectmen, Town Treasurer, Town Clerk, Tax Collector, Collector of Water Rents, Road Agent, and Trustees of Trust Funds for the year ended Dec. 31, 1966, and found them correct and properly vouched, to the best of my knowledge and belief.

RACHEL OHMAN,
Town Auditor

JAMES O. FARWELL	Truant Officer

The State of New Hampshire

SCHOOL WARRANT

To the inhabitants of the school district in the town of Marlborough qualified to vote in district affairs:

You are hereby notified to meet at the High School in said district on the 4th day of March, 1967, at 3 o'clock in the afternoon to bring in your votes for the election of the following officials:

1. A moderator for the coming year.
 A clerk for the ensuing year.
 A member of the school board for the ensuing three years.
 A treasurer for the ensuing year.
 An auditor for the ensuing year.

You are hereby further notified to meet at the High School in said district on March 4, 1967, at 8:00 P.M. to act upon the following subjects: (Polls will open not later than 3 P.M. nor close earlier than 9 P.M.)

2. To determine and appoint the salaries of school board members and the truant officer, and to fix the compensation of any other officer or agents of the district.
3. To hear the reports of agents, auditors, committees or officers chosen, and to pass any vote relating thereto.
4. To choose agents, auditors and committees in relation to any subject embraced in this warrant.
5. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district.
6. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.
7. To see what sum of money the district will vote to raise and appropriate for the purpose of providing and installing a new sound system for the school auditorium-gymnasium or take any action thereon.
8. To transact any other business which may legally come before this meeting.

Given under our hands at said Marlborough on the 6th day of February, 1967.

ALDEN J. BEAUREGARD
FREDERICK P. HARRSEN
ALPHONSE A. DESPRES

MARLBOROUGH SCHOOL DISTRICT COMPARATIVE SCHOOL BUDGET

	1966-67	1967-68	Increase Decrease	Percent
Appropriation	\$251,172 50	\$268,552 14	\$17,379 64	6.9%
Receipts	60,863 11	53,947 79*	-6,920 32	11.4%
Raised by taxes	\$190,304 39	\$214,604 35	\$24,299 96	12.7%

*Note — This is an estimate. After the current fiscal year, the State Commission will adjust the amount of estimated receipts, up or down, to reflect actual receipts from the balance on hand, July 1, 1967, Sweepstakes, Foundation Aid, and Building Aid. The Commission will then increase or decrease the amount to be raised by taxes accordingly.

REPORT OF PRINCIPAL OF MARLBOROUGH SCHOOLS

To Roger L. Sundstrom, Superintendent of Schools:

I am submitting my annual report on the operation of the schools. It will contain some statistics plus a general narrative of the highlights of the year. As in the past I shall be discussing what has occurred in the time since my last report rather than to limit it to the end of the fiscal year. It seems that the report may be more significant if written in this manner.

Elementary School

Soon after the last annual meeting we set up a program in remedial reading with funds made available under a federal program known as Title I. At the start this program involved twenty-nine pupils in grades one through six. It has since been expanded and we are currently working with nearly fifty pupils.

We were extremely fortunate to secure Mrs. Marjorie Lovering to direct this work. She has excellent training in this area and is genuinely concerned with the welfare and progress of each individual. Her salary and the cost of all the specialized equipment obtained were paid from Title I funds. This is a sound program as it would be impossible for classroom teachers to devote the time to these pupils with special reading problems. Test results in June were very convincing as to the value of her efforts. I urge the citizens to vote favorably on continuing to accept the available Title I funds.

The other major change in the elementary program was the reinstatement of art instruction in all grades. This had been dropped a few years ago when re-organization of districts eliminated the possibility of sharing a supervisor. Mrs. Elaine Webber who had been teaching grade five and who is now doing graduate work is directing the art program.

Five of last year's staff of nine elementary classroom teachers returned. Two others, Mrs. Marion Clark and Mrs. Freda Hastings retired; Mrs. Gail Maynard went elsewhere to teach and Mrs. Webber started her graduate work as mentioned above. They were replaced by Mrs. Esther LaChance, Mrs. Dorothy Ledwith, Mrs. Carol O'Neil and Mr. John Bardis. All but one of these teachers had previous teaching experience. For the first time in several years we have a man teaching in the elementary building and this is proving to be very helpful in administering the program.

We look forward to continuing all phases of the work currently being done in these grades and to strengthening certain areas.

Probably the first change will be further work in the field of reading and we are presently evaluating materials for this.

The music program under Mrs. Wilson is sound and many students are taking lessons on instruments. She is being assisted by Mr. Edward Hamilton who is giving individual and group lessons. We currently have the strongest instrumental program we have ever had and as this group moves along it should form the nucleus for a good unit in upper grades. With certain forthcoming changes in personnel and teaching assignment we are awaiting the time when we will have a full time music director for all grades.

Special work in science and conservation is being carried on through arrangement with the Audubon Society and our sixth grade pupils derive worthwhile experience from the week at Camp Union.

Junior-Senior High School Program and Curriculum

No significant changes have been made in the curriculum during the past year because it was adjusted to meet minimum standards in 1964.

We are told by our graduates who are in college that the strengthening of the mathematics program was a good step. Our college-enrolled students are for the most part doing a creditable job and there have been relatively few drop-outs.

A definite effort is being made to strengthen our practical arts program. This involves more carefully planned units in shop courses and minor revision in the home economics area. We are confronted with conflicting educational philosophies as to the purpose of a high school shop program. These range all the way from those who believe it to be almost completely a hobby developing program to those who feel that it should be a terminal program and should produce skilled technicians and craftsmen. It seems to us that somewhere between these extremes lies the path we should follow and it is to this end that we plan and work.

Of some concern to me is the relatively small number of students electing courses in the commercial area. This is an area where we have seen a lot of change. I believe it is due to the desire of practically everyone to go to college and thus to spend their high school years in the study of mathematics, science and foreign language. In many cases it might be wise to take a long hard look at the future and consider entering the business world. This, of course, is pupil and parent business and we refrain from exerting pressure after we have pointed out the opportunities existing.

No major recommendations for change in curriculum are contemplated in the near future. We plan to concentrate our immediate efforts on the junior high area in the direction of improved organization and grouping rather than in change of subject pattern. We have discussed extension of library services and increased audio-visual facilities and equipment. The proposals agreed upon seem adequate.

These will improve services for both schools. We also plan to concentrate on strengthening the offerings and participation in music activities. We have had recent visits from personnel of the State Department of Education and within the next few months we will be evaluated by a visiting committee from the New England Association of Colleges and Secondary Schools which is the regional accrediting group. We have a good rating with both and foresee no obstacles in the continuation of our present status with these groups.

The attitude of a large majority of our students is excellent. They are eager to learn and are appreciative of staff efforts exerted in their behalf. On the other hand there exists a group of students at all levels who have not yet found themselves and who do not have their objectives in mind. These pupils present the real challenge in education. I feel that we are meeting the needs of this group reasonably well but we need strong parental co-operation in order to succeed.

School Activities

The student groups have participated in a wide variety of activities ranging from play production to record hops. All of these are carried on under teacher supervision and with very few exceptions can be considered to accomplish the objectives.

Our boys' athletic teams continue to enjoy reasonable success and conduct themselves in a manner that reflects credit on our school. Last spring our baseball team which was seeking a sixth consecutive state championship went down to defeat in the finals by a score of 1-0. This was a real tribute to Coach Breckell and the boys as seven of the regulars from the previous season had been graduated.

The 1966 soccer team had a respectable won and lost record and the present basketball team shows promise of being one of the top three small school teams in the state and should do well in tournament play.

The formation of a regional school in a nearby area removed three traditional opponents from our schedules and we were forced to look elsewhere for competition. We accepted an invitation to join the Granite League and our boys have already won the league title. Playing in this league has increased our travel and has thus been more costly. We are not sure of the wisdom of continuing this competition.

Another feature of Granite League play is that several schools insist on playing girl's games as the preliminary contest. This is in direct contrast to our situation of the past several years when the opposing schools refused to permit this practice. Because of the fact that girls' basketball was not a featured part of the program in previous years, interest in it had decreased. Our present team is somewhat handicapped by having a small squad from which to pick but the girls have worked hard and are improving with each contest played.

Class of 1966

Thirty-three members of this class received diplomas in June. Thirteen of this number went on to further education. Several of the boys are already in the service or will be inducted in the near future. The list of graduates is printed below.

Class Roll

Carol Ann Symonds	1st Honor
Vicki Lea Wilcox	2nd Honor
John Francis Hackler	3rd Honor
Cynthia Ann Clark	4th Honor
Maricka Carla Schmutzler	4th Honor
David Westley Aiken	Robert Francis King
Sharyn Elizabeth Barstow	Richard Emile Lambert
Elvia Belluscio	Donna Jean McLean
Norma Jean Bergeron	Theodore Calvin Miner, Jr.
John Fredrich Bosley	John Francis Mooney
Barnard George Carey	Karen Anne Morse
Joel Knight Castle	Sally Ann Oliver
Judith Blanchard Daigle	Hilda Helen Parker
Robert Lynn Goodell, Jr.	Hollis Peter Parker
Joyce Elsie Hakala	Jeannette Lillian Reed
Charles Rowe Hildreth	Lawrence Wiswall Robinson
Barbara Jean Hunt	Lionel Frederick Sundstrom
Lynn Susan Iredell	Katherine Elaine Upton
Christine Marie Angela Janda	Ronald James Weeks

Junior-Senior High Personnel

In June we lost seven of the teachers who had been working in grades 7-12. Mrs. Addie Bell, Miss Betsy David, Miss Eleanor Labrie, Mr. William Panzeri and Mr. Bernard Wolfe accepted positions which offered professional and financial advancement; Mrs. Elizabeth Thomas retired and Mr. Ronald Williamson accepted a position in industry. They were replaced by Mrs. Martha Blackator, Mrs. Ann Gaseau, Mrs. Margaret Center, Miss Barbara Starkey, Mr. James Huntley, Mr. Jack Tenofsky and Mr. Paul Miller. Four of the above are beginning teachers and the other three have extensive experience. Mrs. Margery Moore was on leave of absence for the first semester and her place was taken by Mrs. Betty Williams. All of the new personnel are doing successful work.

Mrs. Betty Pritchard resigned in June as school secretary and Mrs. Joan Stebbins is now employed in that capacity. Mr. James O'Connor replaced Mr. Edward Croteau as assistant custodian and all other personnel returned.

Enrollment

In September 1965 there was a total enrollment of 382 pupils in all grades. Of this number 195 were in grades 1-6, 65 were in junior high and 122 were in grades 9-12. Last September the total had dropped to 373. There were 195 in grades 1-6, 70 in grades 7 and 8 and 108 in senior high grades. The loss in high school enrollment was due mainly to several Harrisville students being forced to attend Keene High because of the AREA agreement. We had 42 first graders entering in September 1966 and a look ahead would predict that high school enrollment will increase gradually in the next few years. We must be ever alert to observe any significant indications as we plan for the future.

Conclusion

I wish to extend my usual thanks to all who have worked to help in the operation of our school program and to the citizens who have supported us and all of our activities. We know that administrative changes are ahead for our school system and we trust that our schools will continue to serve our youth well.

Respectfully submitted,
IRVIN H. GORDON, Principal

February 11, 1967

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and the Citizens of Marlborough:

I hereby submit my fifth annual report.

An efficient organization will see that the right people with the right tools are placed in the right jobs at the right time. In the case of education, this means that teachers with various skills are assigned to schools in such a way that each child studies with a teacher who contributes maximally to his learning, that interesting and stimulating materials are made available to the pupils at the times they need them, and that the subjects taught are appropriate to the vocational and cultural needs of the boys and girls.

The process of deciding how many teachers are to be hired, what their specialties are to be, to which schools they are to be assigned, and how many books and supplies they are to have to work with is basically the process of preparing a budget. The budget is a detailed plan for spending in the coming fiscal year. What is going to happen to any particular child in the next school year is affected by the figures that appear in the budget.

Citizens pay taxes in substantial amounts to support their school system. However, if we paid lower school taxes, our tax rates for other governmental services might go beyond the point where our total tax expenditure would be as great as it was before we tried to economize on our schools. There is good reason for believing this. Good schools prepare young people to carry their weight in supporting public expenditures. Inferior schools turn out individuals who are prone to unemployment, marital irresponsibility and delinquency.

As the total school program in Marlborough has gradually been improved and expanded, the costs have continued to increase. The following is a four-year comparison of our per pupil costs:

	Elementary	Junior High	High School
1962-63	\$296 66	\$365 45	\$520 08
1963-64	310 50	426 56	560 96
1964-65	367 71	517 02	597 42
1965-66	415 11	521 16	654 80

Even when we see the benefits that education gives us, we can still wonder whether it's necessary to spend as much money on our schools as we do. Can the schools be run more economically than they are now? Probably every human activity can be conducted more efficiently than it is, and it is likely that our system is no exception. A step to-

ward more efficient operation might be the establishment of a planning committee to work with the school board and administration to study our current program, the needs of our boys and girls, and the various alternatives for implementing the best possible program within our financial limits.

As a result of action taken by the State Board of Education, the communities of Harrisville, Chesterfield, Keene, Nelson, Westmoreland, and Marlborough have been united under a common supervisory union. This means that, although each district will govern its own schools through its own school board, they will share the services of the same central supervisory office which will undoubtedly be located in Keene. The purpose of the reorganization is to provide expanded administrative services and better co-ordination of the total school program in an area which already has common economic, geographic, educational, and social ties.

As a result of the reorganization, this will be the final annual report for your present superintendent. I wish to express my appreciation for the support and encouragement which I have received during the past five years. It is my hope that I might experience the same spirit of mutual respect in my new endeavor. Again, I am grateful to the principal and teachers, pupils and parents, the School Board, and all the patrons of our school for their understanding and co-operation during the time that I have been associated with the Marlborough school system.

ROGER L. SUNDSTROM,
Superintendent of Schools

January 16, 1967
Winchester, N. H.

**MINUTES OF THE ANNUAL SCHOOL MEETING
OF THE MARLBOROUGH SCHOOL DISTRICT HELD
MARCH 5, 1966**

Meeting called to order at 3:00 P.M., March 5, 1966 by Moderator Ralph A. Pierce and warrant read. The moderator dealeared the meeting open under Article 1 calling for the election of a moderator, a clerk, a member of the School Board for three years, a treasurer, and an auditor under the Non-partisan Ballot System.

The meeting was further called to order at 8:00 P.M. by the moderator to act upon the following subjects. The moderator declared the meeting open for action on Article 2 through 8 inclusive.

Article 2. Voted favorably on the motion of Leo H. Hackler that we take up Article 2 with Article 5.

Article 3. Voted favorably on the motion of Charles B. Knight that we accept the reports of agents, auditors, committees or officers chosen, as printed in the annual town report, excepting and reserving the right to make any changes we see fit in Article 5 which includes the budget on pages 55 and 56.

Article 4. Voted favorably on the motion of Alphonse A. Despres that we refer Article 4 to Article 1.

Article 5. Voted favorably on the motion of Leo H. Hackler that the district raise and appropriate the sum of \$245,974.00 for the support of schools, for the payment of salaries of school district officials and agents and for the payment of statutory obligations of the District.

Article 6. Voted favorably on the motion of Alphonse A. Despres that the District authorize the school board to make application for and to accept, on behalf of the District, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.

Article 7. Voted favorably on the motion of Leo H. Hackler that the district vote to accept the provisions of Title I, Public Law 89-10 (Elementary and Secondary Education Act of 1965), that the district appropriate the sum of \$5,198.50 for the 1965-66 fiscal year and a like amount for the 1966-67 fiscal year, to be made available to the district under said Federal Act for such particular projects as may be determined by the school board and that the district authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

At this time, all persons having voted who wished, the polls were declared closed by the moderator at 9:38 P.M.

Article 8. Alphonse A. Despres announced that the school board is appointing a committee to be under the chairmanship, of Mrs. Karl

Robinson to see what can be done to improve the acoustics on the stage of the gymnasium. Mr. Despres also thanked Mr. Leo H. Hackler, the retiring member of the school board and Mr. Hackler was given a round of applause.

No further business appearing under this article the moderator declared that the meeting would return to Article 1.

The polls having been declared closed by the moderator, the ballots were examined and counted and the votes for the various candidates were tallied by the moderator, in the presence of the district clerk and other election officials. When the counting was completed, the results of the counts were declared and publicly announced by the moderator as follows:

Total number of votes cast	208
----------------------------	-----

For Moderator

Ralph A. Pierce received	201 Elected
--------------------------	-------------

For District Clerk

Oliver F. Derby received	205 Elected
--------------------------	-------------

For School Board Member (Three Years)

Helen H. Coutts received	39
--------------------------	----

Frederick P. Harrsen received	140 Elected
-------------------------------	-------------

For District Treasurer

Oliver F. Derby received	199 Elected
--------------------------	-------------

For Auditor

Rachel Ohman received	50 Elected
-----------------------	------------

All officers elected and present were qualified.

The meeting adjourned at 10:05 P.M.

FIRE RECORD

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important — Instruct your children that matches are not play things.

Truly — Only You Can Prevent Forest Fires
